Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Instructions for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 U.S.C. 184 (b) (1) provides that an inventor or applicant who files an application for a patent in a foreign country before the expiration of 6 months from the date of filing of the application in the United States, shall be liable to a civil penalty of not more than \$10,000 for each such application. This provision is intended to encourage inventors and applicants to file their applications in the United States first, and then to file in foreign countries. The purpose of this provision is to protect the inventor's right to file in the United States first, and then to file in foreign countries. The purpose of this provision is to protect the inventor's right to file in the United States first, and then to file in foreign countries.
